

Tri-Canada

High Purity Products for the Biopharm Industry

1 Sanitech & Purefit Silicone Hose Assemblies

Ultra-flexible, platinum cured, autoclaveable silicone hose assemblies complete with sanitary Tri-Clamp[®] connections.

2 Smooth-Bore Teflon Hose Assemblies

Smooth-bore Teflon[®] innercore with stainless steel braid and silicone cover for high purity applications.

3 Gemu Sanitary Diaphragm Valves

Compact valves with many features which make them ideal for pharmaceutical and bio-processing applications.

4 Custom Stainless Steel Manifold

316 L stainless steel, 20 RA polish that comes with full documentation as required for validation.

5 High Purity Flow Control Components

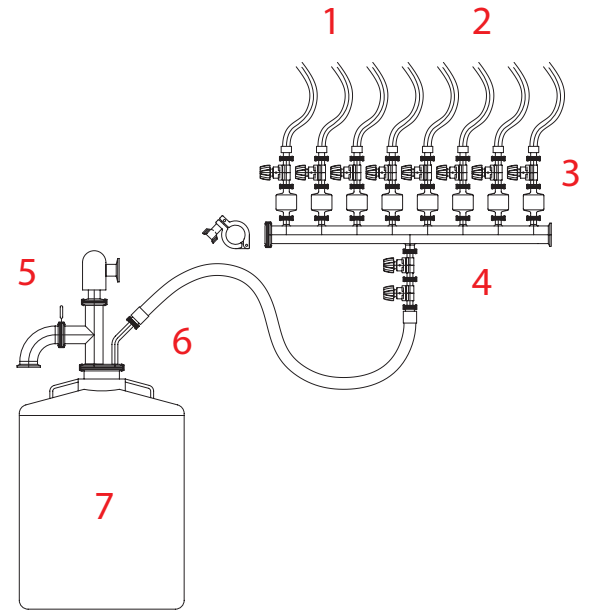

Such as clean steam traps, vent filters and rupture discs.

6 Sanitary Stainless Steel Fittings

Sanitary Tri-Clamp[®] and Butt Weld fittings to BPE specifications plus USP Class VI gaskets in Teflon[®], Viton[®], silicone and specialty elastomers.

7 Nalge Sanitary Carboy

Autoclaveable polypropylene with a 3" Tri-Clamp[®] top port that solves the problem of interfacing plastic with stainless steel.

TYPICAL BIOPHARM SYSTEM

Sanitary Fittings

- Tri-Clamp[®]
- Butt Weld
- Bevel Seat
- I-Line
- Biopharm (ASME BPE Spec)
- Mini - Fittings

Sanitary Gaskets for all Sanitary Fittings

- Newman Sanitary Gaskets
- Rubberfab Specialty Products
- Screen Gaskets and Orifice Plates
- Manway Gaskets

Tubing and Pipe

- 1/4" - 8" OD Tubing
- Bright Annealed & Polished
- Welded & Seamless
- Rath BPE Spec EP Tubing

Sanitary Valves

- Gemu Diaphragm Valves
- Candigra Butterfly Valves
- PBM Clean Steam Ball Valves
- Tri-Clover Air-Operated Valves
- Replacement Diaphragms for Gemu, Saunders & ITT Valves

Custom Hose Assemblies

- Rubber-Covered Teflon
- Stainless Steel Braided Teflon
- High Purity Silicone (Class VI)
- All Stainless Steel Hose
- Silicone-covered SS-braided Teflon
- CRN Registered Hose Assemblies

Sanitary Pumps

- Fristam Centrifugal & Positive Displacement Pumps

Sanitary Accesories/Parts

- Spare parts for Waukesha Pumps & Valves
- Spare parts for Tri-Clover Pumps & Valves
- Camlock Sanitary Adapters

Tri-Canada

At Tri-Canada, we pride ourselves on our responsiveness and on our technical knowledge. If you are having trouble sourcing a particular item, or are dissatisfied with the responsiveness of a particular vendor, please give us a call. Buyers become corporate heroes when they find the identical product faster and at a better price. Maybe we can help.
